

# DUBLIN DUB

| DBU01 & DBU02

## Market Overview

EdgeConneX is a global leader in data center development and delivery, with over 50 data centers in more than 40 markets worldwide.

Our Dublin EdgeConneX campus is a large land banked parcel that currently houses two purpose-built data centers with potential for future expansion. Our creative approach facilitates innovative distribution models that support your needs at the Edge of the Network. This is the reason the five largest businesses in the world by market cap all trust EdgeConneX to provide critical data center capacity and facilities worldwide.

Dublin is a hub for business and a pivotal point for Internet and Cloud connectivity. And EdgeConneX has a proven track record of delivering data centers at any scale, on time, on budget, and with the cooperation and support of in-market community and regulatory leaders.

Contact EdgeConneX today to set up a campus tour and learn more about the EdgeConneX Dublin Data Center Campus.

## Campus Highlights

- **DUB01:** 18 MW N+1
- **DUB02:** 7 MW N+1
- **DUB03:** 7 MW N+1
- Power bank for additional **100 MW**

## EdgeConneX Benefits

### Capacity

State of the art data centers with the flexibility to support deployments ranging from a single rack, to a large custom cage or pod, all the way to a build to suit data center any of which can further scale to meet future needs for growth.

### Connectivity

Edi qui untotate ma vendae vellesum et mincitemqui dolenim que earum voluptam arum illa sus qui re doles sum quiasite omnis et aut harum ilit pa diae eum ent odion reptur aut quae suntur?

### Capability

Purpose-built Tier-3 designed facilities with superior operating reliability, high-density power, and carrier-neutral support to satisfy any customers challenges and demands.

### Cloud

Erovita coreraes dolorro quidus et rem. Nam, uta nem et audi nimpore mporrum volorit invelesse rerori tem essimaos quiaiepat.

### Customer Experience

We aim to deliver a premium customer experience and proximate data center solutions, allowing you to deliver a premium experience to your own customers.

### Partners

Our world-class partners help EdgeConneX deliver the combination of solutions your business needs.

## Technical Specifications & Configuration

### Space

**Campus:** 2 data centers, with potential for future expansion

Within 12 km of downtown Dublin and 17.4 km of Dublin Airport

Customer work space available

Space available for secure customer storage

WiFi network access and cell phone repeaters boosters throughout the facility

### Power

**DUB01:** 18 MW N+1

**DUB02:** 7 MW N+1

**DUB03:** 7 MW N+1

Power bank for additional 100 MW

Concurrently maintainable power in a minimum of an N+1 configuration to include: PDU - UPS - Generators

Capable of 20+kW per cabinet

Capable of 600+ watts per sq ft

Ghost space not required for cooling power dense installations

Real-time branch circuit monitoring

### Cooling

Temperature and humidity monitored, controlled and managed to industry standards

1m raised/under floor forced air plenum

N+1 CRACs located in separate suites, maximizing customer designated areas

### Security

Multi-stage security containment systems that use PIN and live video authentication

Mantraps and strictly enforced protocols regarding entry access

24/7 Color CCTV/video surveillance and >90-day online video storage

Interior managed security zones

National network operations center for security management

24/7 NOC services

### Fire Suppression

Pre-action, zoned dry-pipe sprinkler systems with zoned maintenance aisles and separate suites

### Network Providers

Building POEs are diverse, with a variety of fiber conduits to physically diverse MMR's

Aquacomms, Aurora Telecom, Colt, Console Connect, Eir, euNetworks, Hibernia, Lumen, BT Ireland near-net

Interconnection services available including fiber and copper

### Optional Services

Remote hands services for break fixes, configuration, and troubleshooting

### Standards and Certifications

ISO 27001, PCI-DSS, and SOC 2 Type 2
