**Re: PowerConneX Ashville Energy Center, Second Public Informational Meeting
Notice for Proposed Natural Gas Fired Electric Generating Facility in New
Ashville, Pickaway County, Ohio**

Dear _____:

We are contacting you to invite you and your family to the upcoming second public information meeting for the PowerConneX Ashville Energy Center project. The second public information meeting will consist of a traditional in-person open-house poster board session to ensure that everyone has an opportunity to learn about the project and that we have an opportunity to engage with the community regarding our planned electric generation facility. The purpose of this meeting is to present the project to the public in a manner consistent with what will be presented in the application that will be eventually submitted to the Ohio Power Siting Board. For these reasons, we are inviting you and your family to attend the public information meeting on April 29, 2026. Details for the meeting are briefly outlined below, and further details are provided in the attached public notice.

The PowerConneX Ashville Energy Center project (Project) is a natural gas fired electric generation facility being proposed by PowerConneX, Inc. to be located in Ashville, Pickaway County, Ohio. The PowerConneX Ashville Energy Center project will be holding its second public information meeting on April 29, 2026, from 5 p.m. to 7 p.m. at Teays Valley High School, Cafeteria, 3887 State Route 752, Ashville, OH 43103, in order to provide the public with an opportunity to become informed about the Project and ask questions. Information addressing the facility will be made available through an open house, posterboard session format. Attendees may arrive anytime between 5 p.m. to 7 p.m. to engage with Company representatives on hand to answer questions and solicit comments regarding the facility.

If you have any questions, you may contact a member of the PowerConneX development team at (703) 935-2452 Ext 10141 and pcxenergyashville@edgeconnex.com.

Sincerely,

Christine M.T. Pirik
Attorney for PowerConneX, Inc.

Notice of Public Informational Meeting for Proposed Major Utility Facility

PowerConneX, Inc. (PowerConneX) has scheduled a second public information meeting on April 29, 2026, to outline plans to build the PowerConneX Ashville Energy Center project (Project), a natural gas-powered electric generation facility being proposed by PowerConneX, Inc. to be located in Ashville, Pickaway County, Ohio. The facility will be sited on approximately 110 acres and have a maximum total generating capacity of up to 800 megawatts. The purpose of the facility is to provide power using natural gas-powered equipment that will serve as a primary source of electricity to a data center on the same site. Construction is anticipated to begin as early as the third quarter of 2026, resulting in commercial operations as early as in the second quarter of 2027. A map showing the general outline of the project and location of the project area is below.

On April 29, 2026, the PowerConneX Ashville Energy Center project will host its second public information meeting. The second public information meeting will take place from 5:00 p.m. to 7:00 p.m. at Teays Valley High School, Cafeteria, 3887 State Route 752, Ashville, OH 43103. Information describing the facility will be made available through an open house, poster board session format. Representatives from the Project, including various subject matter experts, will be available to answer questions about the Project. Attendees may arrive anytime between 5:00 p.m. and 7:00 p.m. to engage with Company representatives on hand to answer questions regarding the facility.

PowerConneX anticipates filing its application with the Ohio Power Siting Board (OPSB) within 90 days of the second public information meeting. OPSB's case number for the project is 26-196-EL-BGN, and the filings made with the OPSB in the PowerConneX case can be viewed at <https://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=26-196>.

Information about the Project, including maps, is available on the Project website, <https://www.edgeconnex.com/ashville-oh-energy-center/>, for viewing by the public at their convenience prior to the public information meeting. Alternative access to the information is also available upon request by contacting the PowerConneX team at (703) 935-2452 Ext 10141 or pcxenergyashville@edgeconnex.com. The public can submit comments to PowerConneX anytime via the Project website or in writing via email. Individuals can also reach out directly to the team at the phone number and email address listed above to obtain additional information on the Project.

Upon receipt of the application, OPSB will review the application to determine if it is complete so OPSB staff can begin its investigation. Should OPSB find the application complete, OPSB will set a date for public hearing, not less than 45 nor more than 60 days after such finding. The public hearing consists of two parts: a public hearing where OPSB will accept written or oral testimony and an adjudicatory hearing. Not less than five days prior to the public hearing, OPSB's staff will submit a written report on the project.

OPSB accepts written comments on the project from interested persons at any time, as well as written or oral testimony from any person at the public hearing. Petitions to intervene in the adjudicatory hearing will be accepted by OPSB in accordance with a deadline set by OPSB. To request notification of the public hearing or submit comments in the docket contact OPSB at 180 E. Broad St., Columbus, OH 43215, 1-866-270-6772, or contact OPSB@puco.ohio.gov. Petitions to intervene should be addressed to Docketing Division, the Ohio Power Siting Board, 180 E. Broad St., Columbus, OH 43215 or can be electronically filed. All correspondence and petitions to intervene must include reference to Case No. 26-196-EL-BGN.

The following map shows the general outline of the Project and location of the Project Area:
